ROLL OFF CONTAINER MEASUREMENTS

Here at Sullivan's we specialize in commercial recycling and demolition jobs. We supply a wide variety of equipment to support your needs. One of our most popular services is a **Roll Off Container Service**. Our trucking department will deliver and pick up the containers from your business or job site at your request. Containers can be left on site until the container is complete or ready for a switch out. We pride ourselves on the slogan "Service is our Specialty" and are committed to providing you with a quick turnaround. Please notify us 1 day in advance for pick-ups and switch outs.

Container Size	Overall Height	Overall Width	Overall Length	Load Capacity
15 (cubic yards)	3.5' (40.5")	8' (96")	16' (192")	39,000 lbs
20 (cubic yards)	5.25' (61")	8' (96")	16' (192")	38,100 lbs
25 (cubic yards)	3.5' (54")	8' (96")	22' (264")	37,900 lbs
30 (cubic yards)	5.25' (61")	8' (96")	22' (264")	37,000 lbs
40 (cubic yards)	6.75' (82.5")	8' (96")	22' (264")	36,000 lbs
45 (cubic yards)	8' (96")	8' (96")	22' (264")	35,300 lbs
